Preserve Memories ... Make Prints

**Developing Trust
Since 1933!**

June 1, 2005

WHY SHOULD I USE MAIN PHOTO & IMAGING SERVICE?

We are **competitively priced** and offer a **higher quality** product and a **superior service** than other photofinishers.

Main Photo Service has been *Developing Trust since 1933*. Always at the cutting edge of technology, Main Photo Service was the first photofinisher in Orange County to produce Color Photographs. We were one of the first innovators to offer Digital Photo Restoration and Computer Imaging. Main Photo is also a *Certified Advanced Photo System Photofinisher* for the APS Camera and Film.

Some of the services offered by Main Photo Service:

- **O**ver-night *E-6 Slide* Processing in Plastic Mounts and Paged
- **O**ver-night *B&W* and *Color* Processing, Printing and Enlargements (ask for details) We also offer "Sloppy Borders" on B&W and COLOR prints
- **C**omputerized *Digital* Photo Restoration
- **P**owerPoint files output to slides
- **V**ideo Transfer Service and Video Tape to DVD
- **D**igital Printing from Camera Cards or Other Media onto Real Photographic Paper
- **Y**our Computer File Output to 35mm film
- **R**eal Photographs Made From Digital Media
- **R**ush Service
- **A**gfa *Scala* B&W Slide Film Processor for the Western U.S.
- **F**ilm, media cards and Supplies available
- **M**onthly Specials

We treat your images as if they were our own. We are more caring NOT more expensive. Main Photo Service offers more in-house services so that you can be assured that your order will be handled by professionals. We also offer you, our customer, the convenience of "One-Stop-Shopping".

Main Photo is your Full Service Photo & Imaging Specialist
